Grammar—Miss Marion Moulton.

Primary—Miss Margaret Cahoon, spring term, Miss Helen Driscoll, fall and winter term.

North—Miss Elsie Shattuck, spring term, Miss Florence Manual, fall and winter term.

We have had on the whole a very successful school year. Our aim has been to continue the services of a good teacher when able to do so, and we do not think we have made any mistake.

At the Eaton High, Miss Hyde has continued her good work, and we are sure that this school is up to the standard of any secondary school, and for this reason we

wish to urge the parents and pupils to take advantage of the two years' course.

Miss Moulton has been very successful in the Grammar. This is a large school, and harder to maintain good discipline than in some of the others, but she has been wide awake and we feel that she has made very good success.

In the Primary, Miss Cahoon taught the spring term, and her work was very good. The fall and winter term has been taught by Miss Helen Driscoll, who has proven herself to be a very successful teacher, both to parents and committee. In fact, the whole school year has been very successful in this school.

We have been having changes in the North school, and we find that some things have not been satisfactory to the parents, but as far as we can see both teachers have tried hard to accomplish good results.

The school grounds at the Eaton school have been graded, affording an excellent play ground for the pupils. The building and heating plant at this school are not proving entirely satisfactory, but with the exception of a few days, we have been able to heat the building to a medium temperature.

The School Board hereby respectfully notify the selectmen, according to law, the following sums are necessary for the use of schools from July 15, 1916, to July 15, 1917:

Text books and supplies,	\$150 00
High school tuition,	200 00
Flags,	15 00

Respectfully submitted,

C. H. JOHNSON,

M. J. DIMOND,

FLORA M. TUCK,

School Board.
